Dear Parent/Carer

## Update on the flood

### **Year 4 and Year 5 are making themselves at home at the Loco Centre.**

It's been quite a week at Netherfield Primary School! From the chaos of Monday, we now have the children's education well and truly back on track. Staff have been amazing in the spirit they have shown in solving the problems we have faced and in the hard work they have put in. We're also proud of the way our children have responded, especially Year 4 and Year 5, whose conduct has been exemplary down at the Loco Centre. We are also grateful for the support and understanding that you, our parents, have shown at this challenging time.

We now have to wait for the floors to dry and for new carpets to be fitted – only then will the affected rooms be signed back over to us so that we can move back in. We are hopeful that will take place towards the end of the half term break, but nothing is certain at this point. There is a remote possibility that we may have to close some classes for a day to allow us move back in if things are delayed. Should this be the case, I will endeavour to give you as much notice as possible.

### **Y2 have turned the studio into a classroom**

**Year 1 was one of the worst affected.**

**The Foundation Unit is drying out. The floor has been tented off with polythene to allow a dehumidifier to work as efficiently as possible.**

I would like to thank you again for your understanding and continued support during this challenging time.

Warm wishes,
