

Netherfield Primary School Year 6 Autumn

CLASS INFORMATION

If there are any parents or carers who would be interested in becoming reading volunteers then please come and speak to a member of the Year 6 team. We would love to hear from you!

If there is anything you wish to discuss with your child's teacher or TA then please don't hesitate to approach us.

Autumn
Term

TOPIC

Our topic this term is **Ancient Greece!**

In this topic we will be learning all about who the Ancient Greeks were. We will be looking at Greek pottery, Greek myths, Gods and Goddesses, famous Greek landmarks and finding out about how our lives have been influenced by the Ancient Greeks. We will also be looking at our topic in English lesson where we will be studying Greek mythology.

PE/UNIFORM

Children need to be in full school uniform.
Please encourage them to do so.

Year 6 PE is on a Friday.

Class 11 are ice skating until October half term and then Class 12 will start ice skating until Christmas. Please make sure your children bring appropriate socks for ice skating.

WHO'S WHO

Class 11 - Katie Cook (Class Teacher), Wendy Smith (TA)

Class 12 - Sara Hollingworth (Class Teacher), Diane Vanagelis (TA)

Year 6 support - Debi Bedford, Nicola Holdridge (Teachers) and Paula Taylor (Deputy Head).

HEALTHY SCHOOLS

(Milk, snacks etc.)

Children are encouraged to bring in a mid-day snack to have at break time.

Cups and water are always available in the classroom.

ENGLISH

In English we have been focusing on our topic of Ancient Greece. We have been looking at Greek myths and the characteristics of them.

The children have been reading different versions of myths and legends, and will be using their writing skills to create their own.

Please encourage children to read at home and log their reads in their diaries.

DIARY

MATHS

The children are becoming more confident with using maths in the real world. If you are out and about with children, please encourage them to use money, talk about distance and time, read the dates engraved on buildings, read bus timetables and any other examples of maths that they make encounter in their daily lives!

All of this helps them to become stronger mathematicians.
