Dear Parents/Carers

Improvement to our Outside Caterpillars Environment

In the near future we will be working to improve the outside area for our Caterpillars, which includes Health and Safety measures. In order to keep this area safe for children to use, you will no longer be able to leave your pushchairs or bikes in our playground when you drop your child off. However, you can leave them **AT YOUR OWN RISK** locked up (you will need to purchase your own lock) on the other side of the fence, either near (but not obstructing) the reception entrance or the main gate into Caterpillars.

Thank you for your co-operation and support in making our outside area safe for your child.

Mrs Weaver and Mrs Hodkin.
