Reading and Phonics

As a result of feedback from parents and carers last year we would like to hold a session in the Main Hall on how to support with home reading and the application of phonics. Our experts will guide and model good reading practice and answer any questions you may have. This helps to ensure the best possible outcomes for your child. We will care for your children whilst you attend. We will cover:

Phonic knowledge

What good reading looks like

Reading rewards

Book levels & expectations

Frequently asked questions

Please let your child's Class Teacher know if you will be attending. We look forward to seeing you.
