Dear Parents/Carers

Foundation 1 Library Books

We have a fantastic range of books at school for the children to borrow from each Friday. This is a kind of Library Service which is run within the Foundation Stage.

We place great importance on reading at Netherfield, even from the very first week at school, so we encourage all our parents to read regularly with their children.

The books at the Library Service cost a lot of money, so we are asking you to treat them well and return them to school **on Friday each week**, so that other children get the opportunity to enjoy them. Whilst we understand that books do not stay pristine forever and accidents do happen, we are asking you to sign the form below. This states that you will endeavour to look after the book your child brings home, to return it promptly and to pay a contribution towards a replacement book, if any major damage occurs to it.

Thank you for your co-operation.
