Dear Parents and Carers

We are delighted to be able to tell you that Netherfield Primary School has been given the go ahead by the Department of Education to join Carlton le Willows Academy as part of the Greater Nottingham Education Trust.

This formal partnership between the two schools will see Carlton le Willows sponsoring Netherfield as it converts to academy status.

Carlton le Willows Academy already has a well-established relationship with Netherfield Primary and its local community and we are confident that formalising the partnership in this way will only strengthen links for the betterment of all children and their families in our community.

Over the summer term both Netherfield and Carlton le Willows intend to work closely with the school community to create a fresh vision, setting down aims and values and a way of working going forward.

We are positive about the future and believe that working together in this way will allow pupils to reach their full potential.

Yours sincerely
