Term

Autumn

PROJECT

This term we will be learning about traditional tales. In science we will be learning about materials and we are going to make a basket for Little Red Riding Hood. In RE we will be learning about what it means to belong in a religion and we are hoping to go on a trip to the church. We will also learn about Diwali. In computing we will be learning about algorithms, and we will be learning to program a Bee-Bot.

PE

Our PE lessons will be on a Monday afternoon. Please ensure your child brings a full PE kit to change into, including appropriate footwear. Children are NOT allowed to wear earrings or jewellery for PE. Long hair must be tied back.

LOST PROPERTY

PLEASE LABEL JUMPERS, CARDIGANS AND COATS!

In Year 1 we encourage the children to take responsibility for their own belongings. We do remind the children after each playtime to make sure they have everything, but things do get lost! However having names on things really helps.

HEALTHY SCHOOLS (Milk, snacks etc.)

There are always cups for water in the classroom if the children need a drink. Please don't bring juice to school. At playtime we will provide the children with a piece of fruit.

ENGLISH

We will be writing about three traditional tales this term: 'The Three Little Pigs', 'Goldilocks and the Three Bears' and 'Little Red Riding Hood'. Children will be given spellings and will be tested each Monday.

Please read with your child as much as possible - it will make a difference to your child's reading progress.

DIARY

Parents' Evenings: 13th & 15th November 3.30pm – 6.30pm
Church Trip: 17th October pm - Volunteers needed!
Half Term: w/b 23rd October
