Spring  
Term

## PROJECT

This term our project will be 'Where We Live' and we will be learning about Netherfield, Nottingham and the United Kingdom, looking at key features and places of interest. We will link our Science, Art, History and Geography to the topic.

Our Seal theme is 'Think outside the box' and this will involve lots of problem-solving over the term.

## PE

Our PE lessons will be on a Tuesday and will be lead by Maggie, a specialist dance teacher. The children won't need their PE kit. However, we ask that you take earrings out or provide plasters to cover them with.

## Uniform

If every child in the class is wearing uniform then everyone will get a point! This means that the whole class could get 5 points each every week.

Please also remember that it is your child's responsibility to look after their jumpers, cardigans, hats etc. This will help them to become more independent.

## READING

Children are expected to read at home at least 3 times per week and these must be recorded in their reading diaries. This will help their spelling, vocabulary and comprehension. The message is: **READ AT HOME!!!**

## ENGLISH

Our writing will be based on The Jolly Postman written by Allen Ahlberg. To support this text we'll be setting up post offices in our classrooms. We will also visit the Post Office in Netherfield.

Children will have weekly spellings and will be tested each Thursday. The spellings will be linked to the children's phonics groups.
