### PROJECT

This term, our project is Amazing Animals. We will be learning about animals in Antarctica and Africa; we will be learning about their habitats and how they survive. We will be linking our Science, Art, History and Geography to this topic.

Our Seal theme is 'Think outside the box,' which will encourage the children to think more creatively and will help them to problem solve.

### PE

Our PE lessons will be on a Monday and will be lead by Miss Spencer, a specialist PE teacher.

Please ensure your child brings a full PE kit to change into, including appropriate footwear.

### SATS

During May all children in Year 2 across the country will be tested in Reading, Writing & Maths. We will be preparing the children for the tests during this term. We keep the tests low key and the children usually don't know they are doing them! We will provide more information during parents evening but **PLEASE support us by completing homework and reading with your child at home.**

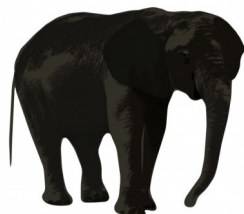

### READING

Children are expected to read at home at least 3 times per week and these must be recorded in their reading diaries. Some children may also be given reading comprehension as home work too. The message is **READ AT HOME!!!**

### ENGLISH

Our writing this term will be linked to our project on animals. We will be writing reports on different animals in Africa and Antarctica, as well as writing stories linked to the animals.

Children will be given weekly spellings and will be tested each Friday. These spellings will be linked to the children's phonics groups.

### DIARY

#### Parents Evening

Monday 13th March

Wednesday 15th March

#### Class Assembly - families invited

**Class 4** - Monday 27th February at 2.30pm

**Class 3** - Monday 6th March at 2.30pm

### MATHS

For Numeracy we will be teaching children in ability groups across Year 2.

Children will be given numeracy home work each week. Please hand it in the following week.

The homework will be marked and put in to the children's maths folder.
