

Netherfield Primary School January 2017 Y3

YEAR THREE INFORMATION

Class 5 – Mr Payne will be supported by Mrs Bentley.
Mrs Scothern will be teaching the class on Thursday afternoons.

Class 6 – Mrs Crawford will be supported by Mr Cooper.
Miss White will be teaching the class on Thursday afternoons and Fridays.

Spring
Term

PROJECT

This term, our project is 'Journey to the Centre of the Earth'.

We will be;

- learning about volcanoes and earthquakes in geography and learning about the impact on the Italian city of Pompeii.
- learning about the Stone Age and early civilisation and linking this to our science learning about rocks.

All other areas of the curriculum will be linked to our project.

PE

Our PE lessons will be on Thursdays. These will be gymnastics for Class 5 and swimming for Class 6.

Please ensure your child brings a full PE kit to change into. No earrings are to be worn.

Volunteers

Thank you to all our volunteers who have supported with our swimming sessions. We really appreciate your help.

If you are able to support in school by listening to readers, please speak to the staff in Year 3 for more information!

READING

Children are expected to read at home as least 3 times per week and these must be recorded in their reading diaries.

Various rewards, such as points and prizes will be given to those who are reading regularly.

ENGLISH

Our writing will be linked to our project on Journey to the Centre of the Earth. We will be looking at Pompeii and the Stone Age, writing stories and reports on what we learn.

The expectation is that children are practicing their spellings daily. These will be stuck into home learning books on Wednesdays.

DIARY

Parents Evening

Monday 13th March

Wednesday 15th March

Class Assembly - families invited

Class 6 - Monday 30th February at 2.30pm

Class 5 - Monday 6th February at 2.30pm

MATHS

In Year 3, children should know their 2, 3, 4, 5, 8 and 10 times tables. We would appreciate any practise you can do at home!

Children will be given maths home work each week. Please hand it in the following week.

The homework is kept in the children's maths folder alongside their school work.
